Good afternoon, Regions 3, 5, 6, 8 and 10:

This email is addressed to the R8 and R10 RAs, the regional COS for Regions 3, 5 and 6 and the regional UOG POC for 3, 5, 6, 8 and 10. Please circulate to your respective RA/administrative support as you see fit.

Attached please find some background information in advance of the EPA-IOGCC Task Force meeting in Denver on July 19.

A proposed agenda, additional materials and an EPA pre-brief meeting/call are forthcoming. I am waiting to hear back from IOGCC's Director, but Task Force representatives from Ohio, North Dakota, Oklahoma, Michigan and Pennsylvania are expected.

Attachments:

- An IOGCC background paper drafted by Rob Lawrence of R6 ("IOGCC briefing sheet May 2018");
- EPA Task Force designation letters from 2003 (Whitman) and 2015 (McCarthy) (I have not seen a more current designation);
- The current MOU "IOGCC MOU 2016 2019" (set to expire at the end of 2019) and the previous one "IOGCC MOU 2013 2016." We have MOUs dating back to 2002 – happy to share these at your request.
- The EPA-internal IOGCC Briefing Book created in advance of the IOGCC Business Meeting on May 4-7, 2019. This book was circulated to you in early May. Please note that this book was not reviewed by OGC and may likely need updates in advance of our July 19 meeting.

Thanks, Megan
